

PHILLIPS LANDING GARDENING SUB-COMMITTEE  
Tree removal and pruning project March 2012

Dear Committee

For your consideration, the sub-committee has obtained a quotation from “Matt the Tree Fella” for the following work as part of our annual scheduled tree removal and pruning program:-

Foreshore

Remove two Casuarine's and grind stumps by the foreshore seawall, The Council has finally approved this action to protect the seawall structure against future damage.

Borrowdale.

Remove 2 trees close to windows at the western end, near the tennis court, This action was requested by unit owners where the offending trees restricted adequate light into the dwelling.

Also prune a Lilli Pillies near the western entrance.

Macquarie.

Trim three tall Lilli Pillies on the southern side, close to the building and windows.

Elizabeth.

Trim overhanging Blueberry Ash at the eastern end.

Elizabeth and Lindsay

Reduce height of Lilli Pillies on roadway between Elizabeth and Lindsay.

Flinders

Remove two trees from the buffer zone between Flinders and Lawson, and trim back one tree encroaching on the roof gutters.

Pathway between Scarborough and Barrington

Reduce Hakeas (bottle brush) by approx one metre in height and remove 300mm back from pathway.

**Quoted price: \$3,675.00 plus GST.**

Regards

David Webster
