To whom it may concern,

Since 2008 the City of Canada Bay Council has been running the Community Associations Committee which provides a forum for issues that are common across community associations, to be formally raised and discussed with Council representatives.

At its meeting of 17 May 2022, Council resolved to adopt a revised charter for the committee (now referred to as a forum) and to appoint the Mayor and Councillor Anthony Bazouni as the Council representatives to the Forum. The new charter is attached to this correspondence.

I am writing to invite your community association to nominate a representative to join the Community Associations Forum. Should you wish to be involved in this Forum please email details of your representative to john.clark@canadabay.nsw.gov.au by 6 July 2022.

Once we have gathered responses from the community associations, I will seek to schedule a meeting as soon as possible.

Yours sincerely,

John Clark
General Manager
