

Bushells Site - Update

We have received advice that the Bushells Planning Proposal and Agreement will be on the Council agenda for the meeting next Tuesday March 28th.

We believe there has been very little change to the recommendations which were on the Agenda for the December 6th 2022 meeting. Unfortunately residents' submissions appear to have had little effect!!!

We will not be able to view the agenda before it is released to the public, which should be on Thursday before the meeting. So we will have almost no time to review the documents.

So where to now.

If recommendations are passed by the Councillors, it will go back to the NSW Planning Dept and they will review the documents and that will be that, the rezoning will be approved!!

If you are free next Tuesday evening, a physical presence of residents would be gratefully appreciated. If you have a chance, have a chat to your neighbours about this meeting.

Below is information regarding the meeting.

The Council Agenda can be viewed online from 5pm Thursday, 23 March 2023 on Council's website www.canadabay.nsw.gov.au/council/about-council/council-meetings

If you would like to address a Council meeting, you will need to complete and return Council's [Request to Address Council Meeting application form](#) by 3pm on the day of the meeting.

Kind regards and thanks for all your support over the last 5 years.
